Dear Team Surlis:

On behalf of the Kiwanis Foundation of Crofton, I would once again like to thank you and express our sincere gratitude for all of your very generous support as the major sponsor of our 24th Annual 10K Race which was held on June 9, 2012. It could not have been a better day for such a community event, which this year drew over 350 participants. The race draws attention to the greater Crofton community and the services performed by Kiwanis, which are made possible in large part by partnering with Team Surlis Realtors. Your early donations and sponsorship enabled us to heavily promote the event and draw such a large number of enthusiastic runners.

While the 10K Race has historically been primarily a community event, this year's event was successful in providing increased proceeds to be applied to our numerous charitable programs. For this, we are grateful to all of our generous sponsors and the runners who participated. Over the past 24 years, the Kiwanis Foundation has been able to channel almost \$80,000 of race proceeds to community youth and service projects including:

Arundel and Spalding High Schools' Key Clubs
Sarah's House
Anne Arundel Rebuilding Together (formerly Christmas in April)
Crofton Christian Caring Council
Crofton Halloween Parade
Wounded Warriors Project
College Scholarships
Numerous other charitable donations and projects, determined on an ad hoc basis

Thank you again for helping us help others both inside and outside the greater Crofton community.

Very truly yours,

Joe Narcavage
10K Race Coordinator
